About the Commission

Making a Difference @ your library™

The Nebraska Library Commission launched an exciting new venture in the spring of 2001: **Making a Difference @ your library™**. Library Commission staff members serving on two-member teams will visit all public libraries in Nebraska over the course of a twelve-month period between April 2001 and April 2002. During their visits, staff members will facilitate two different sessions:

- A discussion with library staff members and other interested parties on how any Library Services and Technology Act (LSTA) grants or other grants made to the library during the past three years are **Making a Difference @ your library™**. Where libraries have not received a grant from the Library Commission during that time, participants will discuss local library service successes and challenges.
- An open forum dialogue with the library staff, trustees, customers, and other interested community members to gain a better understanding of local issues, concerns, and goals, as well as to learn how state and regional services impact local library services.

For more information about this venture, contact Nancy Busch, Nebraska Library Commission Deputy Director, at 402-471-4002, 800-307-2665, e-mail: nbusch@nlc.state.ne.us.
