**Current customers are eligible for discounts at the end of their subscription(s).**

All subscriptions include a minimum discount of 25% off a future ITI conference of your choice and an annual subscription to these two popular newsletters—*The CyberSkeptic's Guide to Internet Research* and *Marketing Library Services*. Please check with your Consortia for the discount in place for the ITI conference(s) you wish to attend.

For complete information about subscription options, database access platforms, database content, or to arrange for a no-obligation trial or demonstration, contact your local consortia representative or
